Sales or use tax is typically due when registering the vehicle. Rate and basis vary by state.

Required forms

- ☐ **Signed title from seller** **REQUIRED**
The seller must sign the title over to you. Verify the VIN and odometer reading.
- ☐ **Title transfer application** **REQUIRED**
Form required to apply for a new title in your name. Requirements vary by state.

SPECIAL REQUIREMENTS

Notary: No — Missouri does not require the title signatures to be notarized for private-party sales. Buyer and seller must print and sign the back of the title in the assignment area.

Bill of sale: Yes — The seller (other than a licensed dealer) must submit a completed Notice of Sale (Form DOR-5049) or Bill of Sale (Form DOR-1957) to the Department of Revenue within 30 days of the sale.

Odometer disclosure: Yes — Required by federal law for vehicles under 10 years old.

Inspection: Conditional — A safety inspection no more than 60 days old is required at title transfer, unless the vehicle is less than 11 years old AND has fewer than 150,000 miles. Emissions inspection is also required in St. Louis City and Jefferson, St. Charles, and St. Louis counties.

STEP-BY-STEP PROCESS

- 1 Run a vehicle history report (e.g., CARFAX or NMVTIS) before purchase.
- 2 Verify the seller's name matches the name on the title.
- 3 Ensure the title is free of liens or confirm the lien will be resolved.
- 4 Have the seller sign the title over to you and complete odometer disclosure.
- 5 Obtain a bill of sale from the seller.
- 6 Submit the signed title, application, fees, and proof of insurance to your state DMV.
- 7 Pay any applicable sales tax.

COMMON MISTAKES

- Not verifying that the seller is the titled owner.
- Failing to check for outstanding liens before purchase.
- Missing the deadline to register the vehicle after purchase.
- Not getting a bill of sale.
